Punctuality

It is very important that children are lined up in the playground and ready for the bell at 8:50 every morning. The register is taken at the start of the day and then the learning begins. If children arrive after 9:00 they will be missing essential learning. During this half term we will be monitoring punctuality very closely and children who are often late will be asked into meet with the Head teacher.

The Christmas Bazaar

On December 7th from 4:00 to 6:00 we will be holding our annual Christmas Bazaar. This will be held in the main building on the ground and first floor. This event is always an amazing community event. If you have any donations for prizes or for our stalls please can you leave them with either Wendy or Nikki. Thank you for all your help!

Anti Bullying Week at New City

At New City Primary School, we are committed to working with children, staff, governors and parents/carers to create a school community where bullying is not tolerated. Our school is a place where every person has the right to be themselves, to be included and to learn in a safe and happy environment. Everyone at our school is equal and treats each another with respect and kindness. We are committed to improving our school's approach to tackling bullying and regularly monitor, review and assess the impact of our preventative measures.

This week was Anti Bullying week. To ensure that all children understand how to deal with bullying, we ran an exciting competition. Children were asked to design a poster, where they had to explain the different forms of bullying and how it can be tackled.

After many fantastic entries, the winners are as follows: Mobashira (1S) Seher (2D) Aamina (3H) Rayyan (4W), Samia (5R) and Andreah (6K)

Parent Coffee Morning

Homework

We are very grateful for all the support parents give to their children to help with their homework. Our ethos is that homework allows children to embed the learning that has taken place at school. In order to support parents we have produced a range of

guidance documents for each year group. These will be available on the school website by Friday

November 16th. If you have any queries about homework please speak with your class teacher.
