### Message from the Head teacher

Dear Parents/Carers

We have had an amazing academic year with lots to celebrate! The Y6 production of Annie last week was the best performance I have ever seen. Even the Director from Brick Lane spoke highly of the professionalism and talent on show during the performance. Well done Y6!

Our children have also represented the school in a range of activities over the year: Plaistow Festival, Young Voices at the Barbican, art exhibition at UEL, art work and community work along Barbers Alley, IntoUniversity to name but a few. The children have also experienced lots of visits including Port Lympne, House of Lords, Fairplay House, London Zoo, the Science Museum, the Planetarium, local libraries etc.

The academic success of the school has improved throughout the year with your support. The end of term report cards will show how hard the children have been working and our academic results have improved yet again with 88% of our Y6 children achieving the expected level for reading, writing and mathematics. Well done Y6 and we wish you all the best in your new schools.

I would like to take this opportunity to thank you for all your support throughout the year and wish you a restful summer holiday. I look forward to seeing you all on September 4th.

Mrs Stone

Head Teacher.

A big thank you also to those working on the costumes and set design!

Well done all!

### Reception Trip to West Ham Park

This week our Reception classes visited West Ham Park. It was an opportunity for them to visit our local area. The children had a great time exploring and enjoying the sun together. The children behaved very sensibly and proved that they are ready for the next step in the lives and the transition into Year 1. Well done Reception!

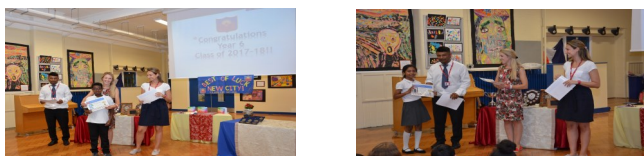

### Spelling Bee Final!

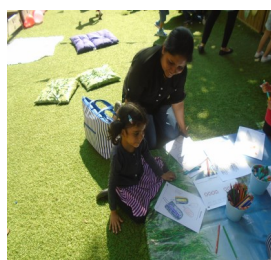

Well done to our Spelling Bee finalists who represented the school on Monday. The final included 12 local schools and children had to learn the spellings of some difficult words. The children did well and also had to learn the definitions of the words. Well done to Abdia, Guarab, Hassan and Musa, you have made everyone at New City Primary School very proud.

### End of Year Show

We would like to thank all of you who joined us for the children's End of Year Concert. The children sang really well and looked great in all of their hats. A huge thank you must go to Mrs Patel for helping to organise once again a fantastic performance.

### Nursery Teddy Bear's Picnic

Children and their families had great fun participating in the Nursery's Teddy Bear's picnic. There were lots of activities set up for the children to enjoy. Face painting, musical statues and live entertainment by a magician/ balloon artist were extremely popular and a range of tasty food was enjoyed by all. Everyone loved the music and dancing! Thank you for all the parents and children who attended our memorable and enjoyable day!
