### Welcome Back to a New Academic Year!

Dear Parents/Carers

I hope you had a wonderful restful summer holiday with your family and friends.

It was so nice to see all the children on Tuesday dressed so smartly in their red logo jumper, black trousers/skirt and black shoes. It was also lovely to see some of the children wearing the school blazer. Our uniform shop will be open on Monday after school in the bottom hall.

Thank you for ensuring that the children arrived by 8:45 ready for the bell and were collected by 3:10. Your cooperation has been really well received.

As you maybe aware there was a fire in the first week of the summer holidays in an electrical substation which is housed on the school grounds. Fortunately the fire did not damage any of the school building or delay works on the dining room. We hope that the dining room will be completed by next half term. We are very excited by having a much improved dining experience for our children.

Unfortunately with the new dining room build and the electrical substation build there is no access between the two playgrounds. Once again thank you for your patience with this matter. Once the building works have been completed the two playgrounds will once again be accessible.

At the end of last term we had so much to celebrate including the school achieving a Quality Mark and becoming a Centre of Excellence for Inclusion. We are very proud of this accolade and thank you for your support. I must also thank Ms Greyling and her team for their hard work.

Our end of year data is available on the school website at [www.newcity.boleyntrust.org](http://www.newcity.boleyntrust.org). Once again our children across the school achieved very well and made exceptional progress from Key Stage 1 to Key Stage 2 especially in Reading. We came top in the borough for our progress in reading! This cannot be possible without your support.

Wishing everyone all the success for 2019/20!

Best wishes

Mrs Stone

## Change in our Catering Company

Last term the Boleyn Trust appointed a new catering company for our schools called Caterlink. The change we feel will be of great benefit to the children and to the school community. Once the dining room is complete I am sure we will see great improvements with the children's dining experience.

## Mr Kennedy

We received some very sad news last term that Mr Kennedy had passed away. His funeral was held during the summer holidays.

Mr Kennedy will be known by the older children, many of whom have left but some are now in Y6. He took charge of our end of term shows a couple of years ago before retiring in December 2017. After retiring Mr Kennedy continued to support the school by attending our Christmas Bazaar and Summer Fete. We send our love and best wishes to his family
