New City Awarded Primary Science Quality Mark

Schools Awarded Primary Science Quality Mark

Primary Science Quality Marks have been awarded to 200 infant, junior, primary, middle and special schools to celebrate a commitment to excellence in science teaching and learning. So far, since its national launch in 2010, over 3500 schools across the UK have achieved a prestigious Primary Science Quality Mark.

The Primary School Quality Mark programme ensures effective leadership of science, enables schools to work together to share good practice and is supported by professional development led by local experts. It encourages teacher autonomy and innovation while at the same time offering a clear framework for development in science subject leadership, teaching and learning. Schools that achieve PSQM demonstrate commitment and expertise in science teaching and leadership.

The Primary Science Quality Mark is led by the University of Hertfordshire, School of Education in collaboration with the Primary Science Teaching Trust.

Jane Turner, PSQM National Director said: *"Gaining a Primary Science Quality Mark is a significant achievement for a school. The profile and quality of science teaching and learning in each awarded school is very high. Children are engaging with great science both in and outside the classroom, developing positive attitudes towards science as well as secure scientific understanding and skills. Science subject leaders, their colleagues, head teachers, children, parents and governors should be very proud."*

Starting a School Year

By Beatrix, Ruby and Emily - 6B

Change can feel frightening,
 How will the school year be?
 But really it's enlightening,
 Just wait, soon you'll see!

Everyone tries to make new friends,
 There's plenty for us all to share.
 Just use cooperation, consideration,
 Courtesy, commitment and care!

This is our new beginning,
 We all move up a year.
 Trust us, it'll be thrilling,
 Don't have a single fear.

How will the school year be?
 You'll make lots of progress,
 Just wait, soon you'll see
 As you climb the stairs of success!

Roal Dahl Competition

September is Roal Dahl's birth month and today there will be events taking place all over the country celebrating Roal Dahl day. If Roal Dahl was alive today, he'd be 102 this year. That's a ripe old age, much older than Grandpa Joe from Charlie and the Chocolate Factory, who was only ninety-six and a half. To celebrate, we are asking the children to create a fact filled poster of one of Roal Dahl's famous books. This could be Matilda, The BFG or even Esio Trot to name a few. The deadline for posters to be handed in to teachers is Wednesday the 18th of September, with prizes announced the following Friday in assembly. Good luck!

Week 3	Monday	Tuesday	Wednesday	Thursday	Friday
Main Choice	Tomato Ariabata	Chicken, Lentil and Gravy Pie with Mashed Potato Topping	Roast Chicken Drumstick with Roast Potatoes	Chicken Curry and Rice	Fish in Batter with Chips
Vegetarian Choice	Vegetable Wholemeal Pasta Bake	Creamy Vegetable Pie with Mashed Potato	Vegetarian Wellington with Roast Potatoes	Roasted Cauliflower Curry	Quorn Burger with chips
