Message from the Head Teacher

Dear parents and carers

Welcome back to a new half term. I hope you all had a restful break.. As you may have noticed the building work on the dining room has now progressed, so we are hoping that it will be open in the next few weeks.

During half term the government announced that there will a General Election on December 12th. As we are a Polling Station we will be closed on that day but will re-open on December 13th, which is also our Christmas Bazaar evening. We are looking forward to seeing as many of you there from 3:30 to 6:00. Any donations please leave with Nicky and Wendy.

Thank you for your donations to our Young Minds Day on October 10th. We raised £387. Our next event will be Children in Need on November 15th. For the cost of 50p children can wear what they like on that day.

Currently the school is selling poppies and merchandise for our Poppy Appeal. Please encourage your child to purchase an item from Allison and the Peer Mentors.

We have our termly parents evenings on December 2nd and 3rd. Letters will be coming to you soon to ensure you identify a time that is suitable for you to meet with your child's teacher.

Wishing you all a happy and successful half term

Best wishes

Mrs Stone

Head Teacher

Air Pollution Workshop

Year 5 have been lucky enough to help participate in an air pollution survey of our local area with students from University College London. The students visited each class to discuss pollution and its impact on our local area. The children were then asked to identify high traffic and low traffic areas around our school. The students have then gone away and set up testers to analyse the air pollution and in late November they will return to our school to reveal the results.

Girls Football

A big well done to our girls football team who represented the school in a tournament competing against other local schools. Sadly, we did not qualify for the semi finals but numerous positives were taken from the afternoon including: an awareness of the positions of the game; an increase in passing accuracy; improved communication and team cohesion. We are hoping to organise more friendlies throughout the academic year!
