Children in Need

Well done to all the children staff and parents for supporting our contribution to Children in Need on Friday November 15th. We raised over £450. Our Student Council gave an assembly on the importance of the day.

The Sunday Times—We are 61st in the country!!

On November 17th the Sunday Times published an article on the top 250 primary schools. I am pleased to state that New City was ranked 61 out of all the primary schools in England. There are 20,832 schools in the country!! This is a great achievement. Further information regarding our data is on our website at www.newcity.boleyntrust.org. Well done everyone!

Plea to Parents

Please can I ask that children do not ride their bikes and scooters into the playground as this can be dangerous for other children. Can I also ask that children do not bring balls into school.

Can I also request that Reception and Year 1 parents drop their children off and collect their children from the picket fence in the Tunmarsh Lane playground, rather than standing at the classroom door. This will really help with congestion. If anyone needs to see their class teacher can I urge you to either make an appointment or see them at the end of the day as the teachers need to start lessons promptly in the morning.

Finally can I urge you to ensure your child has their PE kit. Due to health and safety children cannot do PE unless they have the correct kit on. Our PE policy is on our website.

Thank you for your support with these matters.

Important dates—Autumn Term 2019

25th November onwards—Y3 and Y4 go to the Panto

Christmas Bazaar—December 13th 3:30—6:00

If you have any donations for any stalls, unwanted gifts etc, please can you pass your donations to Wendy and Nicky. Thank you for your support.

Y3/4 Bikeability

On 11th and 12th November some of our year 3 and 4 children took part in a Cycle Confident course. They were taught how to ride safely in both our playgrounds so they are confident enough to ride on the road. All the children that took part really enjoyed the course, passing their level one and receiving a certificate. Well done everyone who took part.

Year 1 Visit the Mosque

New City is very fortunate to be part of a diverse, multi-faith community and this week Year 1 celebrated this with an educational visit to a local Mosque. Pupils explored the features of the Mosque and considered what each of these represent for the worshippers. The Imam was able to answer questions that pupils had from their learning in Religious Education and encouraged the children to share their thoughts. Year 1 will be considering how their learning from the visit links to themes they have explored from other world views and are looking forward to visiting other places of worship in the future.
