Air Pollution Project Year 5

This week year 5 were visited again by students from University College London to continue the air pollution project. They found out which roads were the most polluted around school and which were in line with their own predictions from the previous visit. The children played Bingo, during which they learnt about what contributes to pollution and how to help protect the environment around our school.

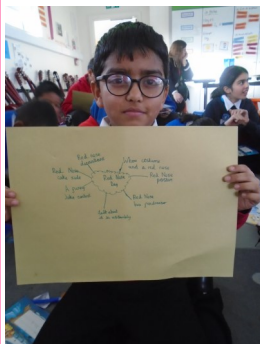

Inclusion Sports Event at UEL

On Wednesday 4th December Team New City attended the 2020 Inclusion Sports event at University of East London. 10 children took part in new age kurling, seated volley, Badminton, guided running over hurdles and javelin throwing. All the children enjoyed the day and were a credit to New City!

School Council Conference at Park Primary School 2019

6 children from the Student Council had a great opportunity to attend a School Council Conference at Park Primary school on Thursday December 5th. They had the opportunity to meet some children from other schools across Newham and discuss how their School Council is run and what they do to support their local community and school. The children took part in a workshop which made them to think about what characteristics are needed to make the best school councillor and how to overcome public speaking. They also had the chance to come up with their own ideas for an event they would like to organise and run.

Children Visit Newham City Farm

On Thursday we took some of our pupils to Newham City Farm to look at the animals. The children were very excited to see the piglets and pigs. They were fascinated by the horses and enjoyed watching what the staff do to look after the animals at the farm.

New City Wins Gold!

On the 6th of December, New City's cheerleading team competed at the ExCel centre against 10 other primary schools. The team has been learning their routine for the last few weeks after school at the cheerleading club. All their hard work paid off as the team was awarded gold at the competition! The cheerleaders worked together to perform their stunts, jumps and tumblers in synchronisation. They represented New City well and should be commended for their wonderful performance.

Magic Show

On Wednesday Reception had a very exciting visit from a magician. The children were enchanted by his ability to have colourful scarves appear into an empty box, draw pictures with his mind and magic them into a colouring book, and to make his own socks vanish! They even had the chance to learn their own magic spell to turn a mix of cornflakes, ketchup and shaving foam into yummy sweets. The children had a wonderful time and there were lots of amazed gasping and laughter throughout the show.
