Young Voices at the O2

On Wednesday evening parents and staff had the opportunity to see our choir perform with 8000 other children at the O2 as part of the Young Voices project. It was an amazing experience for all and the children. Although tired the next day, they expressed what an amazing time they had. Well done to our choir for representing New City! Congratulations to Chanelle in 4W for getting her painting published in the Newham magazine on page 32!

Guildhall of Music Visits New City

Last Friday children from Y2 and Y4 had the opportunity to hear real musicians play from the Guildhall of Music. The children asked the musicians lots of questions about their instruments and how they had become so good at playing them. Of course the main answers were passion and practice, practice, practice!

Gamelan Production

Over the past two weeks, Year 3 have taken part in a number of workshops learning about Gamelan. Gamelan is a form of music from Indonesia and Bali. We have spent time learning about the culture and animals from these far off lands and this came to an end this week with a spectacular performance of three traditional stories with the acting and music performed by all Year 3 pupils. Well done Year 3!

Y3/4 Able Writers

Able Writers Workshop with Neal Zetter

On Wednesday this week, pupils from years 3 and 4 were invited to take part in a writing workshop led by the renowned performance poet Neal Zetter. The pupils watched Neal perform several of his amusing and rhythmic poems which inspired them to plan and write a poem of their own. In the afternoon, pupils worked in groups to write a performance poem and then perform this (with appropriate actions) to the whole group! The New City poets excelled and were inspired by the day to write further poetry.

Poem written by Bobby, 4W

In the world today....
English tourists come in and out
Some explore and stop to stay in luxury hotels.
One timid tourist went on a tumultuous tour and got hopelessly lost.

Some explorers find rare fresh flowers,
Some find mysterious temples and ruins.
For some the aim is to find hidden treasure
But for others the mystery is enough....

Some tribes surround a fire
shouting
Crack! Bang! Pop! The flames
dance across the logs
and shadows dance on the dancers.

The world today looks different
for different people.
