Year 3 Visit to the Science Museum

Year 3 had a fantastic time this week exploring the Science Museum. This half term, the children have been looking at forces and how they work. Visiting the Science Museum was a great way to explore this further.

Year 6 IntoUniversity

Last week 6K took part in an IntoUniversity FOCUS week on engineering. The children created bridges, fan-powered cars and researched the lives and inventions of famous engineers. During the week, the children visited the Science

Museum, taking part in a 'Feel the Force' workshop and visiting the hands on WonderLab. On Friday, the children graduated at

Birkbeck University with parents in attendance. Everyone was really impressed by our Y6 children!

DebateMate

This week saw the second round of the Urban Debate League for New City's Debate Mate team. Pupils had to participate in two debates - one prepared prior to the competition and the second prepared just 15 minutes before the debate started! New City excelled and won both rounds of the competition against some tough competition. The team are now looking forward to the next round of the competition - the Urban Debate Cup.

Y5 Ben Kinsella Workshop

This week Year 5 continued our learning around being safe in our community by visiting the Ben Kinsella Exhibition. The exhibition was set up by Ben's family after he sadly passed away. The children learnt all about how to keep them selves safe and the importance of making the right choices. We know that Year 5 have gained a lot from the experience.

Star of the Week

Coronavirus

As a school we are receiving daily updates from the DfE and the National Health Service (NHS). We are following all the advice we are being given by these national bodies. If you have any concerns please contact the school or the DfE on Phone: 0800 046 8687 Email: DfE.coronavirushelpline@education.gov.uk

Some guidance on washing hands is below:

Wash your hands more often for 20 seconds with soap and hot water. Watch this short NHS film for guidance:

MARVELLOUS FIE

I am delighted to let you know that we will be launching an exciting new app called MarvellousMe. MarvellousMe is a light-touch app that our teachers will use to share wonderful news with you about your child's/children's learning and skills development.

The MarvellousMe Parent app is free, fun and simple to use. It will help you to:

- Have a meaningful conversation with your child about their school day.
- Continue your child's learning and practise topics that they've done in class.

Celebrate and reinforce their successes and positive behaviours.

You will be able to enjoy MarvellousMe on your smartphone, tablet or online, and can easily share it with partners, carers and family members. We will send you a letter containing all the details of how you can sign up to MarvellousMe, and your special join code. You can find out more at www.marvellousme.com. We think you will love it!
