### Celebrating Black History Month at New City Primary School

This week KS2 took part in Black History Month workshops with Bigfoot Education. Classes took part in a Heroes: Buzz Day! Where they used drama skills to create shows on a significant figure in Black History. As well as creating their shows; children discussed how they should tackle adversity and racism and why it is important to study the lives and struggles of these individuals.

## Summer Reading Challenge

It has been a busy Summer for many of our children as they took part in Newham's 'Summer Reading Challenge'. Over the Summer holiday, the children were challenged to read six library books of their choice, each book earning them a sticker. It was fantastic to see so many children take part and complete the challenge and show that their love for reading extended beyond the school gates. Those children who completed the challenge have received a special certificate during assembly.
