Stay and Read

This week, Reception parents attended a 'Stay and Read' session. This session gave parents the opportunity to stay and read with their child and discuss why reading is vital for a child's development. The Reception staff were available to answer any questions parents had and demonstrated how to read to a child. We would like to thank all the parents who attended this beneficial and informative learning experience.

A Star is Born

New City has its very own Bollywood star! Haider, one of our Year 6 pupils, is featuring in an Indian movie called Mental Hai Kya, which is due to come out on May 3rd. Without giving too much away, Haider's part involved the use of a green screen for action scenes - all this alongside Bollywood stars! Well done, Haider!

Parents' Evening

Thank you to everyone who came along to parents' evening this week. The feedback from parents was very positive. Well done to the children for working so hard throughout the year!

Keeping Healthy Workshops

This week year 5 and 6 were visited by a Cardiologist. He discussed the importance of your heart and how to keep it healthy through exercise, diet and lifestyle choices. The children then had an opportunity to ask some very thought provoking questions and learnt a lot from the experience.

Smoothie Workshop

Last week as a part of their DT topic on smoothies year 5 explored smoothie making. They had the opportunity to make smoothies using peddle power, and learnt about how to prepare fresh fruit and vegetables. Each child contributed to the flavour combinations and tried their finished products.
