Yr 4 Trip to the Safari Park

This week year 4 visited Port Lympne Wildlife Reserve in Kent, where they had the opportunity to observe a range of wild animals from all over the world. We had a Tiger talk and learnt all about the largest of the big cats. Then we had a guided Safari tour around the reserve, where we rode in big trucks and got to see giraffes alongside lots of other interesting animals roaming free. Next we ventured into Dinosaur Woods where the children learnt about dinosaurs that roamed the Earth millions of years ago. Finally our adventure ended in Ape Kingdom, where the children learnt about the apes. The children, as always, were exceptionally well behaved and thoroughly enjoyed the visit, as did the adults.

Reception Trip to Plaistow Library

Earlier this week our reception children took a short walk to our local library in Plaistow. The children had the opportunity to explore all of the wonderful books there and to discuss their favourite books and characters. The children received a free book and new library cards so that they can visit any time and borrow books. This is perfect timing so that the children will have access to many books over the summer holidays.

The children had a great time and we hope that children will visit Plaistow library over the summer holidays.

Nursery 'Stay and Play'

At the end of last term our Nursery had 'Stay and Play' sessions whereby parents and carers had the opportunity to come back to school and take part in their child's fantastic learning.

It was a great success and a brilliant opportunity to discuss how children learn and work together to ensure all children are meeting their full potential.

We have had some fantastic feedback and will be looking to have more 'Stay and Play' sessions in the future.
