Royal Wedding

On Friday the children had some very special visitors in to see the children. Prince Harry and Meghan Markle took time out of their busy schedules to join us for our Royal Wedding Party. The children enjoyed waving their flags, a small tea party and then the opportunity to see the royal family let their hair done and enjoy a dance.

Lots of fun was had by all!

Art

Some of our children have been very busy this week. We wanted to put together a mural that celebrates the diversity of the cultural backgrounds of the children at New City Primary School. We did a survey about Newham's wider community and the different countries' that the children's family's were from and used the shapes and colours of these countries' flags to decorate balloons. These are being held by the children in the fore-ground. We then used the stimulus for our sunset scene!

New City Primary School continues to develop its valuable partnership with the Plaistow Community team. We were excited to have been approached, with this innovative idea on how our children could dynamically transform a public space in Barbers Alleyway. We pride ourselves on engaging with the local community through a variety of local initiatives such as litter picking projects, arts projects and the Summer Reading Challenge.

Important dates

July 9th Year 4 visit to the library

July 10th - Y1 visit to the library

July 13th - Y6 production of Annie

Coffee Morning

Our next Coffee morning will be a Dental Hygiene session. This is a great opportunity to discuss dental hygiene and to ask any questions. Free tooth brushes and dental products will be available for children.

This Coffee morning will be on Wednesday 6th June at 9am in the Library. Please come and join us for a coffee and a chat.

GDPR

As you may already be aware, the 25th May 2018 marks the enforcement of the General Data Protection Regulation (GDPR). The GDPR will replace the Data Protection Act 1998 and is designed to strengthen the safety and security of all data held within an organisation, and make sure processing and storage procedures are consistent. We ask that consent forms are returned by **11th June**. If you require a form and/or have any questions then please contact the school office.

Spelling Bee

A reminder that our Key stage 2 children will be entering the local Newham Spelling Bee competition against other schools within the borough. The competition will be on June 11th! Your child would have received some words to look how to spell but also the definition of each word! There are some tricky words there but we are confident that New City will do really well. The competition is about the children enjoying reading and spelling and celebrating all of the hard work that they have done this year.

We ask that the children practise the spellings and try their best. If you have any questions or would like to receive the 'Spelling Bee' list of words then please speak to your child's teacher.

Many thanks and good luck!

Healthy School

A reminder that New City Primary School is a healthy eating school.

We enjoy coming together to celebrate all of the children's birthdays and we ensure that the children have the best day possible. We do ask and remind parents and carers that they do not bring in any treats for their child's class mates.

Thank you for your continued support.
