Fairplay House

Our Year 6 children were fortunate enough to have a wonderful two days at Fairplay house.

During the two days children had the opportunity to try some amazing activities such as caving, canoeing, high ropes and archery! The children all had great fun some describing it as "the best holiday I have ever had!" It was wonderful to see the children working so well as a team, preparing meals, willing each other to do well in activities and supporting each other. We would also like to thank our teachers who went with the children who also enjoyed all of the activities on offer. Well done all and treasure all of those fantastic memories.

Sports Day

Well done to our Years 1-6 children who took part in our annual Sports Day at New City. The children showed great sportsmanship and team work on what was a competitive day of events. Thank you to everyone who came to support and cheer the children on and a special thank you to Mr Archer and Miss Hayes for organising a wonderful day!

Gardening

Some of our children have been very busy taking care of our roof garden this week. The children have been busy planting seeds for next year. We are really looking forward to seeing these flowers bloom next spring.

Olympic Park

Our Year 2 children hopped on a bus to visit the Olympic Park this week to discuss how the park has changed our local area! The children also collected information and created tally charts, counting the number of benches, and shops. The children had great fun!

Art

As you may have noticed when walking into your child's classrooms and around the school that Art is something that the children at New City really enjoy! On Tuesday 3rd July at 4.30pm at the University of East London some of our Year 6 will be exhibiting their art alongside eight other schools from the borough for the annual 'Art Matters' exhibition. This will be a great event and we hope to see some of you there! For more information please see Mr Arnell.
