Learning at New City

At New City we have been so impressed by how quickly the children have adapted to returning to school and working in slightly different ways. Please see some photographs below to show how we are maintaining safety at school whilst ensuring children are learning all aspects of the curriculum.

We are so proud of our children as I am sure you are!

Marvellous Me

We have now launched our MarvellousMe App. You will be able to enjoy MarvellousMe on your smartphone, tablet or online, and can easily share it with partners, carers and family members. We will have received the details of how you can sign up to MarvellousMe, and your special join code. You can find out more at www.marvellousme.com.

It is so good talking to parents on the gate who have downloaded the App and have seen the awards their children have received and the newsletter. Please remember that by half term we will not be sending any more newsletters or letters home by paper but will be using this App. We will also be sending home lots of good news stories about your child.

If you have any problems with the App please contact the office.

Attendance

It is important that your child attends school. If they are unable to then please inform the school via StudyBugs. If your child is isolating then it is expected that they complete the online learning and bring their work in for marking when they return to school. Please email your child's teacher if you have any queries.

Masks

Please can all parents and carers wear a mask when dropping off and picking their child up when on the school site.

Reading at New City

Before the summer break we launched The Summer Reading Challenge which challenges children to read at least six books over the Summer. We all know how important it is to read at home and we have been amazed by the response of some children who have already completed the challenge. If you are yet to complete the challenge or have not signed up yet, there is still time to do so. Just ask your teacher for a Summer Reading challenge pack and make sure you are read at least 6 books before **September 30th**. Make sure you bring your pack back to school once you have completed the challenge so you can receive your certificate.

Uniform

It has been lovely seeing all the children coming back to school in their New City uniforms. Please remember that our uniform policy can be found on our website at www.newcity.boleyntrust.org. Children should be wearing black shoes or plain black trainers and black

trousers/skirts. Uniform can be ordered by ParentMail and blazers can be ordered via <http://www.myclothing.com>

Year 6 at IntoUniversity

This week, 6W have been working with IntoUniversity to develop their design and engineering skills. Throughout the week, pupils have been advancing their understanding of electrical, environmental and civil engineering through research and hands on projects. On Tuesday, each pupil designed and built a car powered by an electric motor. 6W cooperated respectfully to further their learning and achieve their goals, while considering precautions related to Coronavirus.

Congratulations to all pupils and well done for representing New City so well! Year 6 are looking forward to applying more of their engineering skills in future design and technology projects.

Clubs

Don't forget we are running breakfast and an after school club. Check out our website for more information or email/phone the school on info@newcity.boleyntrust.org or 02084722743
