

## English

Our children have demonstrated that nothing will stop them from enjoying the pleasures of reading. They have all worked extremely hard within phonics, shared reading and comprehension lessons while at home. From taking part in live group reading sessions to using our online reading platform 'Bug Club', children have continued to develop their reading skills and enjoyed sharing books with one another.

 Spelling

 1 Vargata wants to play but he is not allowed to climb the curtains  
 and there was a latent up cupboard and stussy garden he  
 wanted to go to the garden  
 2 I think the cats that live with Vargata are the moon

 collar

 4 Vargata's move was his whiskers was blown by the  
 wind and he kept on giggling stussy  
 5 his mother said the garden is a nasty, dirty  
 place
