

Year 3

Year 3 have been learning about Rocks and Fossils. They have found out about how rocks and fossils are made and where we find them.

Year 4

Year 4 have been learning about states of matter. They have been learning about the water cycle and how matter changes between different states.

Melting points

Material	Melting Points °C	Boiling Points °C
Chocolate	40 - 45	118
Ice lolly	0	100
Aluminium	650	2,470
Candle wax	46 - 68	310
Butter	32 - 35	100

Year 5

Year 5 have been learning about separation techniques and the difference between reversible and irreversible changes.

IRREVERSIBLE CHANGES

When you have cooked the egg you can't change it back to when it is not cooked.

Year 6

In year 6 they have been learning about light- how it travels and how we see.
