Head Teacher Update

Dear parents and carers

Thank you for all your support during this half term. It has been a busy time and the children have embraced a new 'normal'. I hope you enjoy reading their report cards and seeing how hard they have been working. Over half term Newham are running Half Term holiday activities. Details can be found here: <https://www.newham.gov.uk/downloads/file/3223/may-half-term-holiday-programme>

We are really interested in knowing whether you would like us to run a Summer School and After School Provision from September. We would be really grateful if you could complete the Google Form at <https://forms.gle/33n5Fw9cwQkPfGv38>

Thank you for your ongoing support and have a lovely half term holiday

Mrs Stone—Head Teacher

Year 4 IntoUniversity

Last Friday Year 4 took part in the IntoUniversity careers workshop.

We looked into the lives of a Paleontologist and investigated different fossils. Different skills were required to identify the correct fossils such as teamwork, communication and problem solving. Eugene and Isfahreh from 4M discovered the remains of a mammoth and a dodo bird. A dodo bird was a flightless bird that lived in Mauritius. Did you know the last one died in 1681? We also looked into the role of a product designer and created a customised trainer for a customer.

Step-acular Week

This week have been "Walk Your Socks Off" week, where we have been raising funds to support the amazing work of guide dogs.

We had a visit from one of our ex pupils, Liam who is registered blind and brought his guide dog Usher in to see us and show us his skills. There was time for lots of questions and we all found the visit interesting and informative.

Ambition Aspire Achieve

The demands for our food banks are high at both Canning Town and Abbey hubs. New City will be collecting donations of non-perishable foods and household goods. Please pass any donations at the gates to the staff. Thank you

Year 3 Visit the Museum of London

Y3 visited Museum of London to explore artefacts from the Medieval period. They looked closely at objects which were used to build weapons and tools. We also saw British jewellery which was worn during the era and chain mail armoury. They enjoyed exploring around and learnt a lot about our British History and things covered in class.

DT Competition

This week, to support Guide Dogs in the UK, New City took part in Walk Your Socks Off week. Pupils across the school have put their creative hats on and have produced some fantastic sock puppets. Guide Dogs rely on our donations to continue their work to support children and adults in the UK living with sight loss. Well done New City!

Ms Fuzzi's Book Review

Stanley Yelnats' family has a history of bad luck, so when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre (which isn't green and doesn't have a lake) he is not surprised. Every day he and the other inmates are told to dig a hole, five foot wide by five foot deep, reporting anything they find. Why? The evil warden claims that it's character building, but this is a lie. It's up to Stanley to... dig up the truth! Witty, inventive and completely unique, this is a masterpiece of storytelling that combines sly humour with irresistible, page-turning writing.

Keep Britain Tidy

This week the eco-warriors launched Keep Britain Tidy's 'Great British Spring Clean' to their classes. This is an event running from 28th May to 13th June, in which the public are encouraged to clean up litter and think about the negative impact of litter on the environment. As part of New City's commitment to looking after the environment within our school vision of global citizenship, we are encouraging children to bring in empty crisp packets! Crisp packets cannot currently be recycled. However, Walkers crisps have launched a scheme in which crisp packets can be recycled into plastic pellets. We would like you to please send in any empty crisp packets. The packets need to be washed and unfolded. They don't have to be Walkers, any crisp packet is fine, but it does have to be crisps. We will collect the packets and then send them to a recycling hub. Thank you for supporting New City in our drive to become an eco-friendly school!
