### Head Teacher Update

Dear parents and carers

Thank you for your continuing support to wear masks when coming onto the school site. As the Government has now extended the current restrictions to July 19th masks still need to be worn.

You will have received a letter regarding your parent consultation meetings. Please ensure you book a time with your class teacher.

Next week we will be sending out information about our after school provision so keep an eye out for that on MarvellousMe!

Best wishes  
Mrs Stone

### Important dates-Summer Term 2021

**Please note all information regarding dates, policies and the curriculum can be found on our website at [www.newcity.boleyntrust.org](http://www.newcity.boleyntrust.org)**

### Year 5 IntoUniversity Workshops

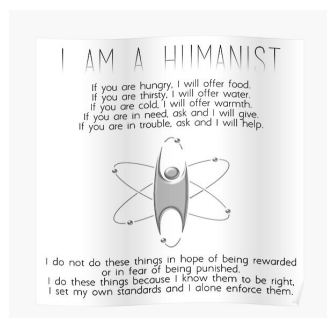

This week year 5 went to IntoUniversity where they had the fantastic opportunity to see what university life has to offer both inside and outside the university. They explored topics such as living arrangements, the number of courses universities have to offer, which sort of societies they can join and the vast number of universities that the UK is fortunate enough to have! The children were brilliantly behaved and are now looking forward to an entire day at IntoUniversity later this term.

### RE at New City

#### World Humanist Day

World Humanist Day is an annual event on June 21<sup>st</sup> each year when humanists around the world celebrate a global tradition of humanist thinking. Humanists are non-religious people who shape their own lives in the here and now because they believe it's the only life they have. We have a competition running from the 18<sup>th</sup> - 25<sup>th</sup> June. This competition is a chance to capture the essence of humanism and the celebration that is World Humanist Day! Miss Musa cannot wait to see the varied and creative posters that the pupils of New City come up with. Good Luck!

Ambition Aspire Achieve

The demands for our food banks are high at both Canning Town and Abbey hubs. New City will be collecting donations of non-perishable foods and household goods. Please pass any donations at the gates to the staff. Thank you

Please check our news page on our website for lots of activities run by AAA

## Stay Safe in the Sun

In assembly on Friday our School Council spoke about staying safe in the sun. They stated that we have been enjoying the benefits of the sun here at New City! It makes us feel warm and happy and we want to do more things outside. It gives us daylight and it also helps build up Vitamin D in our body.

The children went on to tell us that the sun can be harmful and so we learned about the **3 golden rules** below

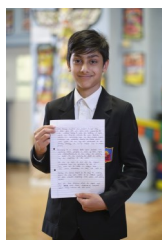

All children in KS1 and KS2 were given a sun passport leaflet last week with further information.

## Our Head Boy and Head Girl Key Messages

In our assembly on Friday our Head Boy and Head Girl reminded us of the 5Cs. The 5Cs are Consideration, Care, Cooperation, Commitment and Courtesy. They also explained our British Values which are; Democracy, The Rule of the Law, Individual Liberty, Mutual Respect and Tolerance of those of different faiths and beliefs.

## Ms Fuzzi's Book Review

**Maggie Blue and the Dark World - Anna Goodall**

Following her parents' bitter separation, 12-year-old Maggie moves in with her eccentric Aunt Esme, who is kind but distant. Maggie is lonely and the only interactions she has at her new school are when she is told off by teachers or tormented by Ida Beechwood and her gang.

Her dismal life takes a strange turn when a cantankerous one-eyed stray cat speaks to her, introducing himself as Hoagy. Maggie then begins to catch glimpses of what appears to be a parallel world. She is aghast when she sees Ida being dragged by a wolf through a portal into this other world. Knowing that nobody will believe her account of the abduction, Maggie realises she is the only one who can rescue Ida. With Hoagy by her side, Maggie embarks on a dangerous journey into a sinister realm, where she encounters bizarre creatures, moon witches and horrors far darker than she could have imagined.
