Head Teacher Update

Dear parents and carers

You will by now have received a letter about our after school provision from September 2021. To secure a place please ensure that you have completed the reply slip.

Today you will receive your child's end of term report. Please do refer to this when your parent consultation meetings begin.

Thank you for your continuing support

Best wishes
Mrs Stone
Head Teacher

Important dates-Summer Term 2021

- July 22nd—Last day of the term
- September 2nd—First Day of the Autumn Term

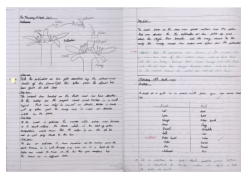

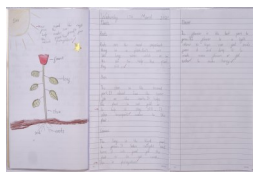

Please note all information regarding dates, policies and the curriculum can be found on our website at www.newcity.boleyntrust.org

Science at New City

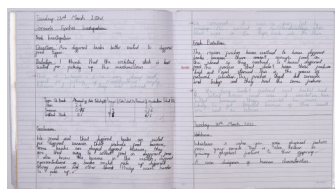

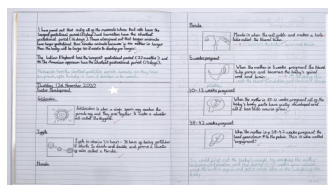

At New City we are very proud of all the learning the children do in science. We were given the opportunity to exemplify children's learning in a weekly publication for the Boleyn Trust Trustees. A range of topics are studied in science including: plants and animals, states of matter, forces, space, electricity, light, habitats, uses of materials and sound. Children have the opportunity to learn new knowledge as well as develop their scientific investigative skills.

Reception science learning

Key Stage 1 and 3 and 4

Years 5 and 6

Our School Council

This week our School Council met the catering company to discuss the meals at New City. They took feedback from all the children and our catering company listened and took notes!

Ambition Aspire Achieve

The demands for our food banks are high at both Canning Town and Abbey hubs. New City will be collecting donations of non-perishable foods and household goods. Please pass any donations at the gates to the staff. Thank you

Please check our news page on our website for lots of activities run by AAA

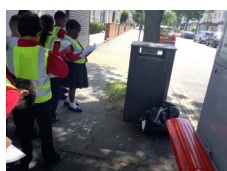

Music at New City

This has been a very musical week at New City! We have live and virtually delivered interactive performances for Reception and KS1. The week started with 30 children from Year 2 watching a live, virtual performance by musicians from the Guildhall School of Music and Drama. They were shown the clarinet and the double bass and explored lots of music which had the theme of playground games. The children enjoyed taking part, especially when they played a backwards word game. Our musical week continued with Reception and Year 1 watching a musical called Errol's Garden performed by the Golden Toad Theatre Company in our hall! The children loved listening to the songs and joining in on their snail hunt. But it didn't stop there... on Wednesday, Reception and Year 1 took part in a workshop based around the musical Errol's Garden which focused on recycling, planting and becoming global citizens.

Y3 Geography Study

Year 3 have been exploring their local area in Geography where they used Google Earth to identify the location of our school as well as the surroundings. Through class discussions we have identified that litter is a problem in our local area which is harming the environment and destroying animal habitats. We went on a field trip around our local area identifying litter which has led to a discussion of what we need to do to relieve this problem as well as address it globally.

Ms Fuzzi's Book Review

Big City Atlas - Maggie Li

Take a whistle-stop tour around 28 of the world's most amazing cities; soak up the culture, traditions, prominent landmarks and local food experiences with a cheery penguin guide in this bright and engrossing pictorial feast.

With a double-page spread for each city, why not stop off for tortillas and guacamole in Mexico City, pie and mash in London, biltong in Cape Town, pizza and gelato in Rome and sushi in Tokyo? If you are more interested in local traditions, myths and legends, sporting achievements or stunning buildings and history, don't worry - there's plenty in this stunning reference book for you too. Maybe you'd like to know about the grisly diet (and even grislier sacrificial rituals) of the Aztecs, camel beauty contests in Dubai, or the cemeteries in Cairo where many of the poorest families now live? Look no further, this is the book you've been waiting for!

Week 1	Monday	Tuesday	Wednesday	EUROs 2020 Day	Friday
