Head Teacher Update

Dear parents and carers

This week I had the privilege of visiting Cumberland Secondary School. During the visit I saw exemplary behaviour from the students and amazing teaching and learning. It was also lovely seeing some of our ex pupils. The Head teacher is very willing to showcase his school to parents. I would thoroughly recommend a visit

Please can I ask that everyone remains vigilant with regards to Covid. If your child has symptoms or has been in Contact with someone that has tested positive they MUST get a PCR test before returning to school.

Thank you
 Best wishes
 Mrs Stone

Important dates-Summer Term 2021

July 22nd—Last day of the term

September 2nd—First Day of the Autumn Term

Please note all information regarding dates, policies and the curriculum can be found on our website at www.newcity.boleyntrust.org

Sports Day

It was unlike previous years, but we did manage to have our Covid-complying 2021 Sports Day! Sadly, we were unable to invite friends and family to watch this year.

Despite all this, we were able to have a fantastic time and the children all competed fiercely but fairly across a full range of events, supporting and encouraging each other throughout.

More photos of the day can be found on our website at www.newcity.boleyntrust.org

Pentathlon

Mr Archer and 8 SEND children attended the Newham Pentathlon Sports session. They took part in 5 different sports activities including seated volleyball, boccia, new age curling, football and beanbag target. All the children had fun and were awarded a medal and certificate.

Bikeability

This week, some of our Year 5 children took part in a Cycle Confident course. They were taught how to ride safely and were prepared for short journeys such as cycling to school. Their training took place in small groups on quiet, local streets, giving the trainees a real cycling experience. Well done to everyone who took part!

Art at New City

I am sure from the photos you see below and from the further photos on our website you will agree that art at New City is exemplary. The children have the opportunity to express their creative skills in a range of medium. Pieces below show an observation drawing of a Monet painting by Penny in Y2 and Hokusai's Wave (Japanese print) by Eliyas Y6

History at New City

When and what is Windrush Day?

Windrush Day is on the 22nd of June each year. This marks the day when, in 1948, at least 492 Caribbean people were brought to England on a ship named the Windrush Empire. In the subsequent years, Britain encouraged many more Caribbean people to come to the country. On this day, we pay our respects to the important contribution these people and their children have made to the British economy and culture. Janice and Raif 6C Nada and Tasmin 6W Maas 6J

The Winners of the Humanism Poster Competition

Congratulations to Sumaya in 4P for winning the Humanism poster competition and well done to everyone who took part!

Ms Fuzzi's Book Review

Johnny Ball, Undercover Football Genius - Matt Oldfield

Johnny Ball loves football. The bad news is that he's a bit rubbish as a player but the good news is that he has some really great tactical ideas. The especially good news is that his ideas have landed him the job of assistant manager for the Tisbury Tigers Under 15s which, at the age of 9½, makes him the youngest coach ever. The especially bad news is that Johnny's older brother Daniel is the Tigers' star player and he doesn't want anyone to know they're related. This means that Johnny starts his coaching career with a heavy disguise and a new name, as he embarks on a tumultuous race to finish at the top of the league. Young football fans will love Johnny's story as he tries to overcome problems like finding a role for a rubbish player who can't be dropped or getting his brother to start playing as part of a team. With plenty of helpful advice that works for life in general as well as for football, this is a wise but very funny book with an inclusive message and lots of witty black-and-white illustrations.
