Head Teacher Update

Dear parents and carers

As we approach our final week of this academic year I would like to take this opportunity to thank you all for your support over this difficult year. The children have shown such resilience and hard work to ensure they caught up on any learning missed during the lockdown.

Can I wish all the families celebrating Eid on Tuesday a happy Eid ul-Adha!

Best wishes

Mrs Stone

Important dates-Summer Term 2021

July 19th—children transition into their new classes

July 22nd—Last day of the term

September 2nd—First Day of the Autumn Term

Please note all information regarding dates, policies and the curriculum can be found on our website at www.newcity.boleyntrust.org

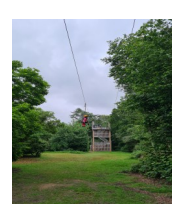

Ben Kinsella

This week Year 5 travelled into Central London to for the Ben Kinsella exhibition where they learnt about knife crime - why do people feel the need to carry a knife? The consequences of carrying a knife crime and how to avoid such situations including the implications of making the wrong choices were explored. As always, the children displayed outstanding behaviour throughout the trip.

Fairplay House

On Wednesday children with SEND went to Fairplay House. They took part in a range of activities including: low ropes, zip wire and canoeing. They had a great day!

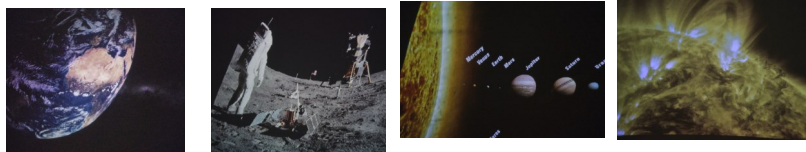

Reception Sports Day

Last week Reception held their Sports Day. Unfortunately due to Covid restrictions parents couldn't come and watch but the children had a great time!

The Science Dome

This week the Science Dome came to New City. Children across the school learned about space and our Solar System through a large 3D planetarium, that brought the topic of Space to life. It was truly a remarkable experience and the children loved learning about Science in this way. These are some of the images that the children saw.

Y2 Geography Visit

This week, Year 2 have visited Brampton Park to find out all about how the park is used by the community. As part of our Geography field work, we used maps with a key to identify what spaces in the park were being used and what they were used for. We found out that lots of people use the park to walk their dogs and to play sports.

Newham Summer School

The **Universal Holiday Programme** brochure containing a wide variety of free and low-cost offers for all young people in Newham has just been launched and can be found following this link: <https://www.newham.gov.uk/children-families/activities-young-people-newham>

Ms Fuzzi's Book Review

Uma Gnudersonn isn't particularly heroic or unusual - she's just a normal girl who loves adding words to her own personal dictionary and trying to avoid Lexie Ramblin, the school bully. When Uma and her friend Alan Carrington are charged at by a tipsy alpaca, a woman in a speeding car crashes into it - only to leave a mysterious bejewelled headphone lying in the road. When Uma puts the headphone in her ear, she discovers that it talks - and, also, seems to know everything, from Uma's not very secure passwords to the fact that her mum died last year and since then, her dad has stopped speaking altogether. Athena - the earpiece - is a revolutionary AI prototype which its inventor Stella Daw, the scary woman from the speeding car, will do anything to get back. Yet Athena is also an earpiece that enables Uma to know absolutely everything - and it seems that it can help Uma with a lot of her problems...

But some questions are still very difficult to answer!
