Head Teacher Update

Dear parents and carers

I hope you had a wonderful Summer break and are ready for this year! Thank you for all your support to ensure we had an amazing start to the new term. As you are aware we have changed the timings of the day slightly in case we need to reintroduce the staggered day again. The new times have been sent out to you via Parent Mail, Marvellous Me and are on our website at www.newcity.boleyntrust.org. The timetable is also below.

We are still operating under clear guidance from the Government to ensure that all the children and staff remain safe during this term. As such we need to restrict the number of adults on the school premises, therefore as per the guidance only one adult can be allowed to pick up their children from the playground. We would ask that all adults wear masks when picking up their children.

The gates will open at 8:20 every morning and children will line up and go into their classes at 8:30. The end of the day is staggered. Again please check the details below. If the Coronation gate is closed please go to Tunmarsh gate.

The After School clubs will start on **September 13th**. Nikki will be sending out letters, Please ensure you book a place as it will be first come first served basis due to limited numbers.

We received some good news this week. The school has been awarded International Schools status by the British Council, which is great news for us and is a result of a lot of hard work by the children. The school has been in contact with a number of schools in different countries and has been recognised for its International work through projects such as Chinese New Year and Gamelan. Well done to everyone!

Thank you as always for your support

Best wishes

Mrs Stone

Summer School 2021

This Summer we were lucky enough to run a Summer School for over 80 children in the first 3 weeks of the holidays. The Summer School was sponsored by Open Doors which is an initiative that unlocks safe spaces in local communities for young people to develop through the power of sport. During the Summer School John McAvoy, who is the advocate for Open Doors visited the provision. McAvoy is an Ironman Triathlete and former convicted armed robber. Growing up in a marginalised community, his improvised family groomed him to lead a life of crime from the time he was a young teenager. He is an inspiration to everyone for his determination to turn his life around and as you can see from the photos he took part in lots of activities during his visit. Perri shakes-Drayton and Jack Burnell also visited the Summer School

Thank you to all the staff and children for taking part in a wonder 3 weeks of activity! Well done New City!
