EiD celebrations in our Family Centre

We had a wonderful afternoon on May 12th welcoming over 100 people to our EiD celebrations. The centre was really fortunate to receive funding from PSBL to facilitate the event. There was lots of food for all!

Reception Visit Mudchute Farm

The sun was shining for Reception's first school trip to Mudchute farm. There were lots to do, we met the pigs, chickens, cows and even fed the sheep! We had a wonderful day as we talked about what food we could get from the farm, and we even made some bread and butter!

The children were able to see all the wonderful farm animals up close at the farm and were full of stories after their day out.

Year 5 Mandarin Tests

On Tuesday, the year 5 children participated in the Youth Chinese Test (YCT), an internationally recognised examination provided by the Confucius Institute. The children demonstrated their knowledge of Mandarin that they have accumulated over their time at New City by demonstrating their reading, listening and writing skills. We are so proud of the Year 5s for their accomplishments in their language studies and their hard work in preparing for the test. We are excited for them to continue to progress next year. Well done!

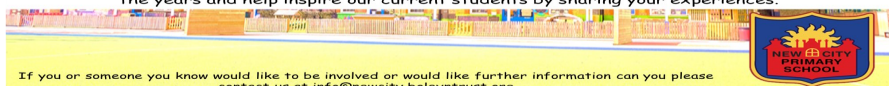

Are you a former student or staff of New City Primary School?

In July, New City will be celebrating its 125th anniversary.

As part of the celebrations, the children will be investigating what our school was like in the past. If you have any **old photos, reports or memorabilia** that the children could use for their research then please send it in to us at info@newcity.boleyntrust.org.

You can also share your story via email to highlight the successes our students have achieved over the years and help inspire our current students by sharing your experiences.

If you or someone you know would like to be involved or would like further information can you please contact us at info@newcity.boleyntrust.org

Year 6 Finish their SATs

Last week our Year 6 pupils took part in Key Stage 2 SATs week; they showed incredible resilience and commitment to their learning throughout a very intense and difficult week. SATs week is a great opportunity for our pupils to show how much amazing learning they've accomplished during their time at primary school and over the course of the week, they did 5 tests: Spelling, Grammar and Punctuation; Reading; Arithmetic and two maths reasoning tests. The pupils were fantastic all week and on Friday enjoyed a well-deserved trip to Brampton Park to celebrate their hard work and achievements.

PE at New City

Congratulations to our Y5/6 seated volleyball team who competed in a tournament last week against 6 other teams and came in 2nd place!! Seated volleyball is a fun and exciting Paralympic sport where players and athletes of all abilities compete in a game of volleyball that involves keeping your body in a seated position. A fantastic display of teamwork, determination and resilience was shown from all team members throughout all games. Well done to all involved!

Mr Freeland's Book Review I Love you Like Yellow

Love can come in so many different types and moods: sometimes love is joyous and jolly, and sometimes it's about being with someone when they feel sad. Sometimes, there is a new person to love; sometimes, we are grateful for the people we have known the longest. Love is as big as the stars and as ordinary as a rainy day, but however we find it, it's something to be treasured. In this gorgeous rhyming text, Andrea Beaty describes how love is there in all the big and small moments of everyday life in a family, from a walk in the park to playing cards to a kiss at bedtime. Vashti Harrison's resplendently beautiful and vivid pencil-style art is breathtaking, illustrating a variety of diverse families showing love to each other in so many important ways. This really is a book to treasure, and would make a wonderful gift for new parents or for anyone looking for the perfect book to read together at bedtime or when having a snuggle.
