### The Queen's Jubilee at New City

On Friday June 10th New City celebrated the Queen's Jubilee. During the day each year group studied a decade of the Queen's reign looking at the culture, history, fashion and the Queen's family. At the end of

the day each year group produced a display for parents to see. We also had a mini carnival in our playground. Lots of learning and fun was had by all! More photos can be seen on our website.

#### 10th Anniversary of the Olympic Games

Children from New City had the opportunity to participate to the 10 Year anniversary festival of the Olympics. At the event they took part in a range of activities such as football, basketball, cricket and athletics organised by Essex Beagles, London Lions, Essex Cricket and West Ham United. They were also lucky to meet with elite athletes and they visited a museum where they could learn more about Olympic and Paralympic artefacts.

#### Y6 Spanish Exchange

The year 6 children had an online meeting with a Spanish class from King's College School in Madrid. The children discussed comparisons between the monarchs of the UK and Spain. The Spanish children were interested to hear how New City celebrated the Jubilee on Friday 10th June and how some of the children celebrated in London during the Jubilee weekend.

#### Errol's Garden

Last week EYFS and Year 1 had the wonderful opportunity to watch a musical performance in school. The touring musical Errol's Garden was interactive and taught the children how to be global citizens as it focused on recycling and planting. All the children had a great time with laughter and song.

#### **Brass Day**

On Wednesday, year 5 and 6 took part in workshops led by a visitor from Brass Bands England. Each group learnt 3 new songs in just an hour, resulting in a mini

concert for the year 4 children. The favourites were 'I Feel Good' by James Brown and 'We Will Rock You' by Queen. The children worked exceptionally hard and showed New City at its best! Year 4 are now very excited to take on learning a brass instrument next year!

#### Mr Freeland's Book Review Wanda

Every morning, Wanda gets on to her school bus with a head full of bouncy 'cloudy' curls. Although some of her classmates laugh at her hair, she holds her head up high and remembers mama's words: 'Be confident. Trust in yourself.' But as she gets closer to school, she feels less confident. She knows her teacher will disapprove of her 'bird nest' hair so each morning before class, she begins the 'big switch' and changes her hairstyle to something more acceptable. The pressures of constantly changing her hair to fit in get too much for Wanda, and she lets it all pour out to Makhulu - her grandmother. Makhulu reminds Wanda that she is a queen and her hair is perfect just the way it is. Celebrating how cultural pride is learned and passed on through

generations, this book encourages young children to love themselves for what they are born with. despite what society may say or think. Set in South Africa, the backmatter includes a glossary of Xhosa words used in the story.
