Sports Day

We had another successful Sports Day this year and the weather did not disappoint! The children showed off their sporting skills in lots of different activities like the sack race, slalom dribble relay, racket balance, beanbag throws and year group relays. Parents got in on the action too in the parents race with lots of falls, tumbles and laughs. An overall fantastic day. Well done to all!

EYFS Sports Day

What a fabulous Sports Day we had for our Nursery and Reception children. We were very lucky to be able to enjoy a wonderful day taking part in a variety of races. Everyone tried their best and displayed great sportsmanship! Thank you for all the parents who attended this fulfilled event.

Readathon

Last week, all children across the school began a huge 'Readathon' in the hope of raising as much money as possible for The Muslim Charity so that they could build a safe house for children in Bangladesh. Across seven days, the children had to complete a particular reading challenge. This could have been to read a certain amount of books, chapters or even pages across a week. This did not deter the children and it was amazing to see so many books read, chapters completed and pages turned as the week went on. Children went home and rallied their families, friends and neighbours to raise as much as possible and because of this, we can proudly announce that over £1000 was raised in as little as 7 days. We are extremely proud of all the children who took part and so kindly donated. We would also like to say a big thank you to all the parents, carers and family friends who gave so generously.

Year 2 Visit Southend

The children enjoyed their time at Southend on Sea. They managed to dip their feet and explore the rockpools. After their exploration they were treated to some yummy ice cream. On the way back the children walked up the pier and had a look at the beautiful sea view. They had an amazing time and they managed to name and record some natural and physical features of the seaside, which they will use for their Geography lesson next week.

Reception Visit to the Olympic Park

This week our Reception children had a superb time playing at the Queen Elizabeth Olympic park in Stratford. Our children also had the opportunity to experience buying an item of their choice at a supermarket! This was a great experience for them as the cashiers talked them through the process of buying and selling. We had a brilliant day in Stratford and the children had a wonderful time!

Nursery Place at New City

We are currently registering children for our 2022-2023 Nursery. If you are interested and have a child who is turning **3 years old** then please contact the schools main office to receive an application form. You may also be eligible to receive **30 hour** care for your child, please ask for further details.

Mr Freeland's Book Review It's the End of the World and I'm in my Bathing Suit

12 year old Eddie has hatched a fool proof plan. His mum has told him to take care of his own laundry for the summer - but he doesn't have time to waste doing chores when the sun's out, so he's spent the entire holidays hiding his dirty clothes in the closet when he's done with them instead. Genius, right? Eddie's brilliant plan backfires when his dirty secret is revealed. Mum is FURIOUS - the only clean thing Eddie has left is his bathing suit! As punishment, Eddie isn't allowed to go to the Big Beach Bash - the number one event of the summer - with his friends, and instead has to stay at home until ALL his laundry is done. Fast-paced and funny with snappy dialogue and brilliantly observed trains of thought as Eddie does just about everything under the sun to avoid doing his laundry. Eddie has ADHD which he talks light-heartedly about taking medication for and which is not the key focus of his character or the story. Children and adults who have ever tried to get out of doing chores are bound to relate to the loveable Eddie on his procrastination quest. Keep an eye out for a sequel, too!
