Year 4 Visits Kew Gardens

As part of our Rainforest topic in Geography, Year 4 went on a visit to Kew Gardens to explore the environment of a rainforest. On our visit, we looked at different plants and species within the rainforest. We looked closely into what it would be like living in temperatures above 10°C. Many children were able to identify the different layers of a rainforest. This visit really helped the children understand the rainforest conditions and as always they were so well behaved!

Year 3 Visits the Science Museum

Year 3 have enjoyed visits to the Science Museum this week to learn even more about forces. They were treated to a workshop all about the different forces and how they work. They explored the rest of the Science Museum and loved learning about space, materials and the industrial revolution. Their behaviour was exceptional and they showed West London how well behaved children at New City are!

Important dates-Spring/Summer Term 2019

8th April - End of term shows for parents

9th April—Last day of term

24th April—First Day of the Summer Term

1st May-5Bu at

IntoUniversity

2:00—3:00: Nursery, RSH, 1O, 2F, 3H, 4S, 5BU, 6F

Head Lice

HOW TO CHECK FOR HEAD LICE

You should regularly check your child's scalp for signs of lice or nits - checking early will reduce the head lice problem and infections from lice bites.

Weekly checks during the back-to-school season are wise, and these **3 simple steps** make it easy to get into a routine of checking for and preventing head lice.

STEP 1

Coat the hair thoroughly with a thick white conditioner or a solution specially formulated for combing out nits and head lice

STEP 2

Divide the hair down the centre of the head and secure one side of the hair with a clip.

STEP 3

Starting from the base of the neck, divide the loose hair into 4cm wide sections and comb through the hair with a nit comb root to tip. Wipe the comb with a tissue and repeat, working your way toward the front of the head.

Star of the Week

RK— Azailia RS—Tahlil RSH- Sabiha IO— Alex

1S- Wasim 1SH- Muhammad 2F- Darius 2D- Sara

2P- Zainab 3S- George 3H- Jazmyne 3Ha- Faizan

4W- Tina 4S- Fariah 4P- Aaisha 5B- Ehman

5BU- Aaliyah 5R— Zara 6F- Aleks 6K—Jayveon

6A—Sifat

Debate Mate Competition

On Tuesday 2nd April, the New City debating team took part in the prestigious Debate Mate Cup competition at Queen Mary's University. The motion for the first round was 'This house believes that climate change is the greatest threat facing humanity'. The team were cool, calm and collected and won this round as the proposition team! The second round required the team to propose the motion 'This house would ban advertising aimed at children'. The speakers again showed great skill and determination, winning this round against an experienced opposition. Although this is the first year New City has participated in the competition, the team came 4th overall with an impressive 137 points (only 8 less than the winners!). Well done team New City!

The children involved were: Niluxsha , Heavenly , Ronit , Abdallah , Beatrix and Demmy
