Dear Parents and Carers

Welcome back to Summer Term 2. I hope you had a lovely half term break with your families. This time of year is always a full packed list of events, which we will be reporting to you on a weekly basis. The sunshine has been shining, so please ensure that your children apply sun cream before they come to school and bring a sun hat to ensure that they are protected whilst playing outside.

We have some exciting developments taking place over the summer. We hope to start rebuilding a bigger dining hall at the end of this term. The children have been taking part in design workshops with the architects. We want to ensure the dining experience for our children is special. I shall keep you updated on developments as we go out to tender to find the builder for the project.

We are also introducing the school blazer from September for all children. Currently our Year 6 Peer Mentors wear these but due to popular demand the blazers can be available for all children. The link is at <http://www.myclothing.com>. Blazers are **not** compulsory. To buy one you need to put the school name and the postcode.

Our compulsory uniform from September will be: black only skirt/trousers, black shoes, red jumper with the New City logo and white shirts.

Any further information please ask Wendy or Allison

Best wishes

Mrs Stone

Happy Eid-ul-Fitr 2019

In our assembly today Saif-Ali, Mustafa, Tasnim and Mahi all from 4S explained to all the children about the meaning of Eid and how they have been celebrating during the week. They told all the children about Ramadan and how during the week they dressed up in their finest clothes and shared food with their families and friends. They explained how this is a very special time of year for them.

Uniform

We have noticed that some children are not wearing the correct black shoes to school. Please ensure children are wearing the correct New City school uniform. The uniform shop is open every other Wednesday. Please ask Wendy for details.

Year 5 and 6 at Stubbers

Some very lucky year 5 and 6 children went to Stubbers for three days this week. They took part in various outdoor adventure activities such as kayaking, laser tag, orienteering and paddle boarding. They all had a great time and didn't let the rain ruin their experience away. Well done to team Stubbers 2019!

Consultation on the Changes to the School Day

You will be receiving a letter today from your child regarding proposed changes to the school day. We really welcome all your views and take these seriously. The letter will also be available on our website at www.newcity.boleyntrust.org. There will be a consultation event for parents on June 17th at 2pm and 6pm during which you can ask questions about the proposals. The deadline for your views will be June 28th.
