Sports Day

While the sun beamed down, parents and carers of New City flocked in their droves to support the children during our annual Sports Day. Great team work, determination and resilience were shown throughout as children took part in numerous events including: hockey run, hurdles, rugby slalom, bullet throw, and of course, class relays. All children put their best effort in, and it was great to see so much encouragement and genuine sportsmanship between the children.

More photos of the day can be found on our website at www.newcity.boleyntrust.org

Dining Room

We have recently appointed a contractor to start extending our dining room. Works will begin on July 22nd and they should be completed by October half term!

End of Term shows

On July 16th children will be performing for their parents. The schedule will be available in next week's newsletter.

Year 5 Visit the Royal Observatory

This week 2 year 5 classes visited the Royal Observatory at Greenwich.

After walking up the epic hill in Greenwich park the children watched a Planetarium show where they were transported through the known Universe. The children learnt about Earth and Space, and our place in the universe. When the show finished the children visited the Observatory where they were able to jump over the Prime Meridian and learnt about the history of Astronomy. They were wonderfully behaved and had a fantastic time. Next week 5B will have their opportunity to visit. Photos can be found on our website.
