Year 3 Visit the Thames Barrier

Over the last week Year 3 3P went to Thames Barrier Park to look at the Thames Barrier as part of their Geography unit. They are currently looking at the UK and will be investigating more on the River Thames. Children have learnt why we have the Thames Barrier and the importance of it. This visit really brought the Geography topic to life!

Year 5 Visit the Petrie Museum

Year 5 visited the Petrie Museum over the last week and saw lots of different artefacts from the Ancient Egyptian period. The children saw artefacts from pottery to the clothes that people in Ancient Egypt would have worn. They even saw a real life cartonnage mummy case! As usual the children were well behaved and loved the learning experience!

Assemblies at New City

At New City we have a variety of topics and themes covered during our assemblies. On November 8th the theme was Anti-Bullying Week and Remembrance Sunday. The Student Council spoke about Anti-Bullying Week and how to positively respect and treat other children. They launched a poster competition. The winners will be announced next week. Our Poetry Club and Historical Society reads poems and explained the importance of Remembrance Sunday. They gave a powerful message!

Athletics and New City

Newham Sports Partnership came in last week to test our Years 4, 5 and 6 at their running, throwing and jumping skills. All the children tried their best. We have noticed some budding star athletes in our school! Yell done to all who took part.

Little Big Baseball Club

Last week we launched our Little Big Baseball Club. We are the first school in London to have this provision. The sessions run after school on Mondays for parents and their children. The game is played using your hand not a bat and using a soft ball. Both Parents and children involved enjoyed taking part.
