Year 6 Geography Project

We would like you to create a written report/booklet about any country beginning with the letter 'G.' For example 'Ghana.'

Within your report/booklet you might like to research the following headings and chapters.

- Country Location and important facts including-Language Spoken, capital city, flag, population.
- Foods What are the local delicacies to this region.
- Religions What are the religions in this particular country
- Important Facts of your choosing-This could be popular sports, music, traditions.

Within your project you may want to draw pictures, take photos or stick in pictures.

We would like to see your projects so please email them to your year group email. Good luck!
